EDUCATION

University of Toronto, Canada – *Coding Bootcamp*

Apr 27 2022 – Oct 12 2022

From knowing nothing about coding to be able to build a whole app as a full stack developer.

University of Melbourne, Canada – *Bachelor and Master in Education*

Apr 2022 – Oct 12 2022

My learning and working experience makes me a fast learner, adaptor to changes and team player.
